**Just what is the West Madison Senior Coalition?**

We were established in 1974 with a goal of helping older adults in the community to live independently for as long as possible. Over the years, we have created several programs to achieve this mission. These include our senior center, case management, the low vision support group, neighborhood dining centers, the home chore volunteer program, health screening clinics, and more!

Our Monthly newsletter will keep you up to date with West Madison Senior Coalition programs and also with other senior resources and information. Please complete and return the membership coupon above. Whether renewing or joining for the first time, we welcome you to the Coalition and greatly appreciate your support. Please call the Coalition office at 238-7368 if you have any questions or require more information. We'll be glad to hear from you!
